## St. Leonard's Church, Glapthorn

Dear Villager,

At this very difficult time, if you need support or assistance, or know of anyone else who does, please don't hesitate to get in touch, so we at St Leonard's can see what we can do to help.

Just telephone one of us or email glapthornchurch@btinternet.com or pastoral@stpetersoundle.co.uk

The decision has been taken to suspend services in church until further notice. However, the church building will be open every day for those who want to go in to pray. We are looking to see whether services can be streamed, so that people can worship at home. In the meantime, daily services can be read *via* our website: http://www.glapthornchurch.org.uk/services/private-daily-prayer-and-readings.php

With our best wishes,

Brigitte [01832 273848] and Charles [01832 272594] Churchwardens
